aff | a. ferreira & filhos, s.a.

A Ferreira & Filhos, SA – AFF – founded in 1980 is a family owned company situated in Vizela, only 45 minutes away from the main airport in Oporto.

AFF is a leader in flat knitted articles supplying the most well-known soft furnishings and fashion brands all across the world. We are widely acknowledged as being the flat knitting experts and our success and growth is the reflection of our commitment to our customer´s requirements associated to the constant innovation in technology, product, design and good quality, at competitive prices. We are continually striving to improve our performance in all aspects of production management in order to keep up with the market´s demands with enormous flexibility.

Our products are ethically made with care taken for the environment. The yarns that are used are carefully chosen from the most reliable and certified suppliers, sourced mainly in Italy and Portugal, to ensure that the final product is at its best in terms of quality, comfort and durability.

As well as having the full capability of reproducing customer´s own designs and products, AFF designs and launches 4 collections per year. We exhibit at the most well-known trade shows in the industry such as: Heimtextil and The New York Home Fashions Market Week for soft furnishings and Premiere Vision for fashion.
